

CATHY CURTIS

A busy working life has meant that my painting has had to fit into an “allotted time”. This continues to be the case, though I love it. Painting offers me peace, involvement and satisfaction and I still find it totally absorbing.

*My first entry into an exhibition won **Best in Show** which encouraged me immensely.*

I paint in oils but with a light hand. My paintings include landscapes, seascapes and portraits.

*I have not entered many exhibitions or Art Shows but won 2nd **Best Oil** in the well-attended Art Show of St Margaret's, Berwick in recent times.*

Interested viewers of my work can phone 59761883 between 7:30 - 9:00pm.
