

JILLIAN SCHNEIDER -textile artist

I love experimenting with wet felting, embroidery and dyeing - eco and colour. I explore ideas using wool, silk and any natural fibre to create organic, earthy felt. My work is not planned to a set design, but rather, my pieces evolve as I combine, colour, texture, fibre, stitches and embellishments. I am a member of the PAS Textile group. I have displayed my work in a number of exhibitions. The Embroider's Guild of Victoria. The Stitch It Festival in Wangaratta, where I received a highly recommended. The Bra Art in Murray Bridge. The Australian Sheep and Wool Show in Bendigo, receiving a first prize in both years. I was also part of the Connecting to Postcards WW1, at the Stitch Festival in Wangaratta 2015.
